DR. WILLIAM MAHONEY: Hingham's Superintendent of Schools

TO THE MEMBERS OF THE CLASS OF 1966 . . .

The publication of the 1966 Highway represents a lasting record of the achievements of the Senior Class, the faculty at Hingham High School, and the parents of our Senior Class members. It deals not only in your accomplishments of the past four years, but also offers an insight into our hopes for you, the 1966 graduates of Hingham High School.

I join with other members of the school administration in extending my congratulations to you, and my best wishes for the future.

WILLIAM M. MAHONEY
Superintendent of Schools

MR. PAUL FARRIS

Principal

TO THE GRADUATING CLASS OF
1966 ...

The Class of 1966 has made a fine beginning on the road to self-education and responsible citizenship! As you make your way in this world of ours, perhaps you can find the key to the heart of mankind so that peace may become an integral part of our way of life. The inquiring mind, the integrity of character, the impartiality of honest experimentation, the respect due every man because he is a man: all of these can be helpful to you as you join in the quest to solve the one great problem confronting mankind—peace.

Paul H. Farris

MR. IRMIN PIERCE

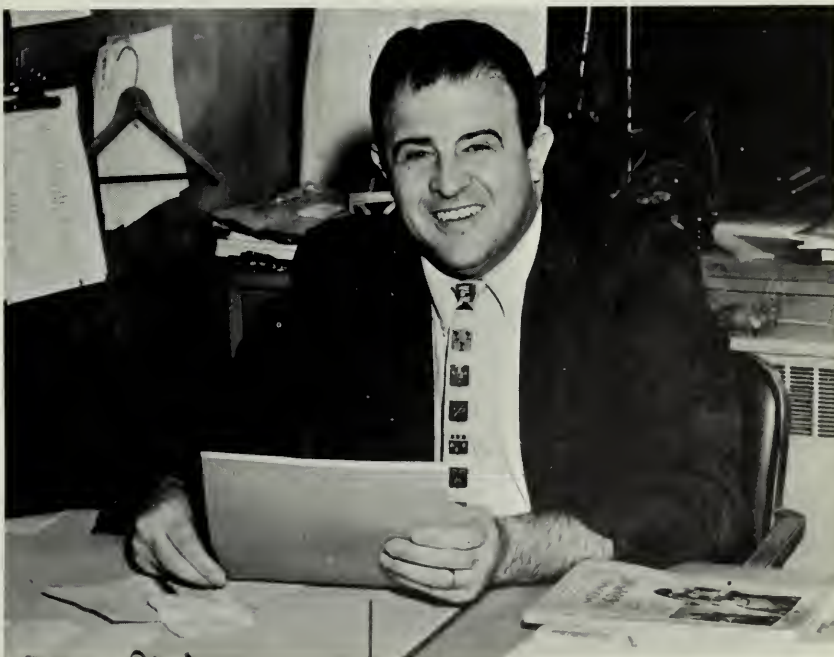

Vice-Principal

TO THE CLASS OF 1966 ...

Your class, as it puts together this record of its experiences in Hingham High School, is picturing Our Way of Life.

You have gone through school as a group, working together democratically to choose your officers, decide your policies, and accomplish your aims.

You have also gone through school as individuals, each developing his own aims and ambitions, seeking and finding help in the resources which the school offers to all and growing mentally by contrast with other minds. I hope that you are now ready for the broader experiences in the years ahead. My best wish for you is that you will be good citizens, that you will cherish high ideals and that you will succeed in living up to them.

Harborlight Adaye and Mai Compare No On Life in America

By Steve Tolle

Last August, the American Field Service provided Hingham High with two new feminine additions to the class of '66. Both students immediately rose to a height of popularity throughout the school with both students and teachers. Their efforts to adapt to the new school surroundings came more naturally than with most of the faculty in their first year of pedagogical enterprise. Since the fateful commencement of school on September 9th the two girls have hosted a very successful dance among participating in other merous projects, making strong benefit to school. New League

In the beginning there was nothing, and they said, "Let there be Shea." And from the chaos came a bandaged tackle and he was called Allen. Metzger, Hutchins, and Studley entered the flock and they were joined by Leary, Delaney, Stoddard and Fitz. From the ranks of the underlings came Losordo, Nickerson, Coughlin and Staehr. And soon there was a great multitude. At first they labored for six days and rested on the seventh. Shea and Allen breathed life and spirit into the group and they were united under one roof—they became a winning team.

Steve in Turkey

I will always remember my summer in Iskenderum, Turkey. The palms, mosques, boats, and especially the people made it the greatest experience of my life.

Farewell, New York!

The spicy food ... Sunday trips across the mountains on narrow roads with treacherous slopes either side ...

A Sunday get together with the family.

A Turkish birthday party ...

The gang at Iskenderum's "Donovans" (pool hall)

Swimming off the fishing boats anchored in the harbor ... Volleyball and Soccer games in the late afternoon ... A blistering temperature of 100° ... A night with my family at the Cinema ...

Finally, after six wonderful weeks, I started my journey back to America.

A special variety of Turk bread—"No, I didn't bake it."

Mai in America

Papa holding me, his little girl?? Yes, that's me—some time ago.

The summer of 1961 with my Mama and my three sisters at one of the sunny beaches of Barcelona.

This year I swapped my Spanish Papa, Mama, and three sisters for a New England Daddy, Mom, sister, brother . . . and a French Poodle. Many things were strange to me here: the language, school, American Football, ice hockey, water and snow skiing, the habit of always driving never walking, the food—like corn on the cob—and the mealtimes.

Not strange to me were . . . the people.

I still can't realize what a wonderful experience it has been to me . . . and all thanks to A.F.S. and to the great people in Hingham!

Because only Goalie Dave Garretson returned from last year's starting lineup, not too much was expected from the '66 HHS Hockey Team. But the hockey season was the football season all over again. The team, dominated by seniors, battled to a 9-3-1 record and a respectable third place finish in the South Shore Hockey League. They hustled, fought, and scrapped for every goal and every win.

They lost three games, but the complexion of one of those games could have been easily changed if Hingham had "just gotten the breaks".

Although the successful season resulted from team work, several players received special recognition for their efforts. Captain Joel Brebbia, played a consistent high-scoring game from his left wing position. All-Star center Steve O'Reilly led the team in overall scoring and was fifth in the league standings. Right wing Baldo Lazzerini topped the team in total goals. Steve Leary, who played defensive for the first time this year, did well enough to be named to the All-Star team. Ray Lawrence, the league's outstanding sophomore, also won All-Star status.

Dave Garretson allowed fewer goals than any other goalie in the league. Hingham had a fine hockey team this year and everyone who saw them knows it!

A Parting Thought . . .

One by one the sands are flowing,
One by one the moments fall;
Some are coming, some are going;
Do not strive to grasp them all . . .
